**Ref.: HT.6062 - Invitation to the Advisory Committee and Multilateral Meeting on amendments to (i) the Implementing Regulation and (ii) the Code of Best Practices for the conduct of State Aid control procedures**

*Dear Mr Olivier Guersent,*

I am writing to you in response to your letter dated 5 February 2025 which included the invitation for the Advisory Committee and Multilateral Meeting where the European Commission's draft changes in the EU State Aid law were discussed.

Appreciating the opportunity to take a position I would kindly like to inform you that Poland does not have any comments or remarks on the proposals presented by the European Commission, which aim to ensure compliance of EU law with the Aarhus Convention. In particular, the Polish authorities have no comments on the terms of the internal appeal procedure, which will allow the interested parties to ask the Commission to review certain State Aid decisions in order to determine whether they are indeed consistent with the EU environmental law.

*Yours sincerely*
