Settlements (MEUR)	0.6	0.6
- Beneficiaries (no.)	6	3
Demolition assistance (MEUR)	0.6	0.7
- Beneficiaries (no.)	6	8

- For 2012, all the subsidies granted that year, i.e. between 1 and 30 January 2012, have not been omitted from the figures. Separating the subsidies awarded at the start of the year from the data on aid for the whole year would involve a huge amount of work for the benefit obtained.
