of the
Confederation of the Trade Unions of the Slovak Republic (KOZ SR)

to the
STATE AID ACTION PLAN
of the European Commission
(consultation Document on State Aid Reform 2005 – 2009 / SEC (2005/795))

Confederation of the Trade Unions of the Slovak Republic is highly appreciating the submitted document and is considering it for a positive tool for solving complicated and sensitive issue of the EU. Our Confederation agrees with aim, target and scheduling works for years 2005 – 2009 as indicated in the roadmap. The KOZ SR is supporting the efforts of the European Commission to remove bureaucratic obstacles in the area of administration and management, particularly at creating favourable conditions and extending results of research, science, investments to human resources, stimulating inventions and optimising conditions for a healthy competitiveness.
