

COMPCases provides e-mail alerts to notify that new content has been published in the database. Notifications are provided:

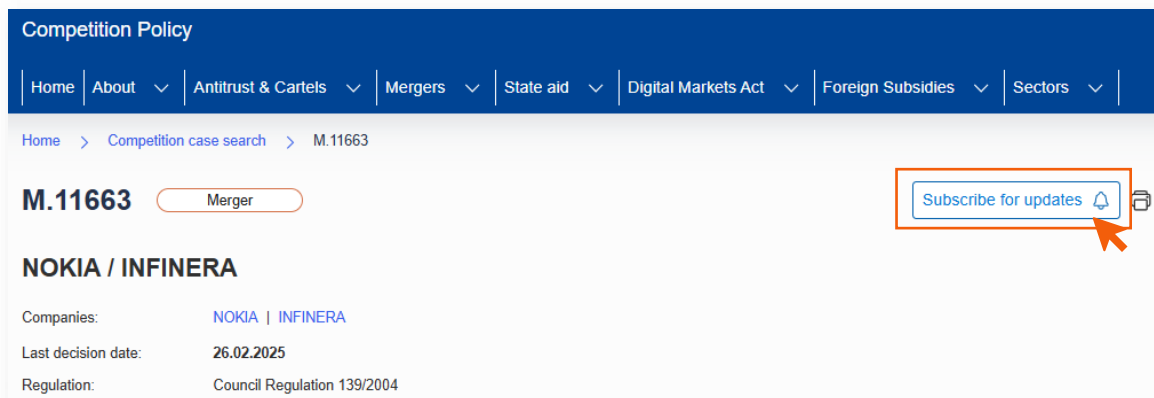

- for new publications in a competition instrument,
- for new publications concerning a specific case in any instrument.

To set up your alerts please follow the below instructions:

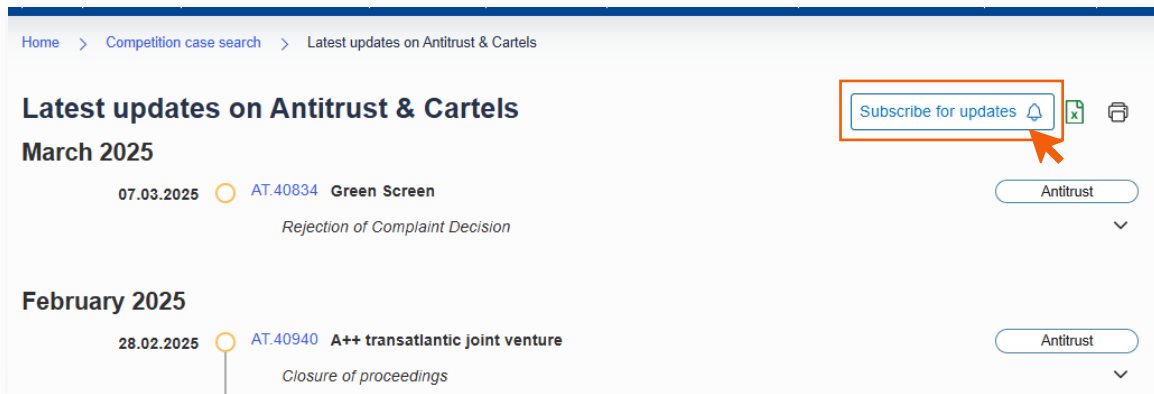

1. Click on Log in to sign in with your EU LOGIN:

2. To receive notifications of a given case, open the full record and click on “Subscribe for updates”:

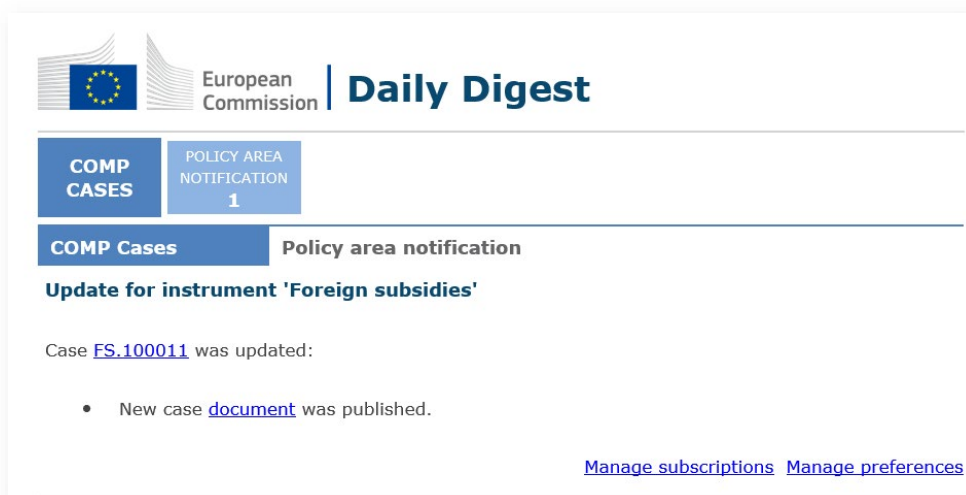

3. For notifications from a given instrument, click on the instrument's "Latest updates" from the "Quick links" section on the sidebar at the bottom of the page:

This is an example of an e-mail notification from a specific case:

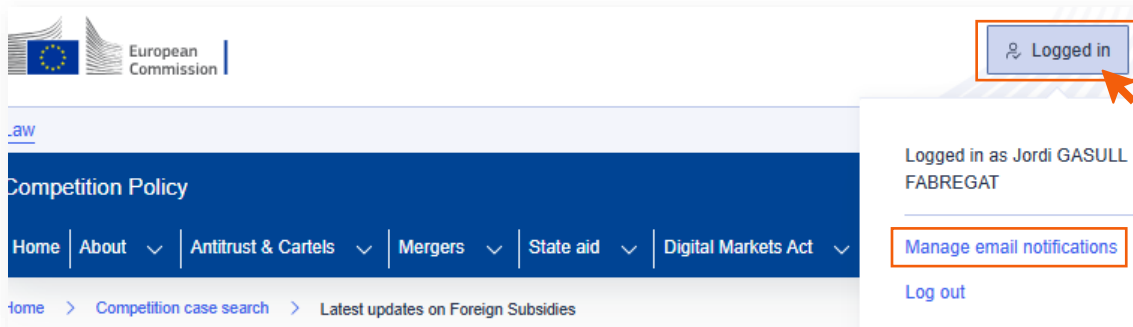

Here you have a sample of an e-mail notification from a specific instrument:

The e-mail notifications include links to manage your subscriptions. Additionally, you can also access your account from the top banner of the webpage.

1. Click on “Logged in” and select “Manage email notifications”

2. There, you can subscribe or unsubscribe from your alerts:
