## Business Insurance sector enquiry

Dear Sirs

We refer to the "interimreport" concerning the sector inquiry of the European Commission on business insurance.

Taken into account the data in your Interim Report published on your website on 24/01/2007 we like to emphasize that our federation BVVM/UPCA fully agrees to the contents of the answer submitted to you by BIPAR, a few weeks ago.

Awaiting your final report, we remain,

Yours faithfully,

l.o.

Paul Bruyland  
President
