

Let product innovation prevail  
(over platform innovation)

Maintain diversity (as in *Dow*)  
in digital cases

Let the customer decide (not  
the gatekeeper)

Institutional economics

Competition as a process  
of rivalry

Price competition bias in  
tools

More (pioneering) cases

Balancing novelty and  
sanctions

Evolutionary approach

Prof. Dr. Rupprecht Podszun  
Heinrich Heine University Düsseldorf
