

Call for proposals - HT.5763

Training of national judges in EU Competition Law

The objective of this call for proposals is to co-finance projects aiming to train national judges in the context of enforcing European competition rules. This includes public and private enforcement of both the Antitrust rules and the State aid rules. The final aim is to ensure a coherent and consistent application of EU competition law by national courts.

The Commission received **11** proposals and retained **6** projects for funding.
