

## **THE COTONOU AGREEMENT<sup>123</sup>**

---

### ***Article 45–Competition Policy***

1. The Parties agree that the introduction and implementation of effective and sound competition policies and rules are of crucial importance in order to improve and secure an investment friendly climate, a sustainable industrialisation process and transparency in the access to markets.
2. To ensure the elimination of distortions to sound competition and with due consideration to the different levels of development and economic needs of each ACP country, they undertake to implement national or regional rules and policies including the control and under certain conditions the prohibition of agreements between undertakings, decisions by associations of undertakings and concerted practices between undertakings which have as their object or effect the prevention, restriction or distortion of competition. The Parties further agree to prohibit the abuse by one or more undertakings of a dominant position in the common market of the Community or in the territory of ACP States.
3. The Parties also agree to reinforce cooperation in this area with a view to formulating and supporting effective competition policies with the appropriate national competition agencies that progressively ensure the efficient enforcement of the competition rules by both private and state enterprises. Cooperation in this area shall, in particular, include assistance in the drafting of an appropriate legal framework and its administrative enforcement with particular reference to the special situation of the least developed countries.
