DiCo is a training and networking Program on Competition law, policy and enforcement in digital markets (DiCo Project – Digital Markets and Competition Policy) addressed to EU National Judges (https://www.universitaeuropeadiroma.it/competition-policy/dico/project/).

In a two-year Programme, funded by the European Commission and directed by Prof. Valeria Falce (Jean Monnet Professor in Digital Transformation at the European University of Rome), National Judges coming from at least 10 different jurisdictions will be trained on the new challenges and will confront their experiences in a multi-jurisdictional and multi-disciplinary environment.

DiCo first edition will be held in Rome from 25 to 27 October 2023 and hosted in the beautiful Piazza Venezia, 11.

---
